

AQUALizer station 1.0 l

MODERN CLEAN DESIGN
A real design statement in the kitchen

BEST TASTE
Thanks to the unique BWT technology, you can enjoy your tap water: filtered and enriched with magnesium.

OPTIMAL LIMESCALE PROTECTION
Protect your household appliances from limescale deposits.

PLANET BLUE
Do something good for yourself and the world.

EASY TO LIVE WITH
Electronic change indicator "Bottomlight" reminds you of the filter cartridge change:
Pink = full filter performance
Blue = cartridge needs to be replaced

Comfort

One cartridge replaced
120 water bottles.

~4-5
MIN.

Filtration

Ready filtered in about
4 to 5 minutes.

Handling

Filter can be easily
replaced.
